**Subject: Re: SSI**

Please post this to everyone involved in this running feud. I used SSI when I was having my career ruined. Now I don't know where to send fellow health care providers to when they are getting their lives ruined in a sham peer review. All the clinics and hospitals will use your feud against you in court and discredit SSI. Shame on all of you for what you are doing. (Both sides of this SSI feud.)

Dr. Robert Eckerstofer
